

Acorn Class- Summer Term

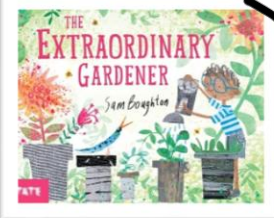

WELCOME

Welcome back to our final full term of the year!

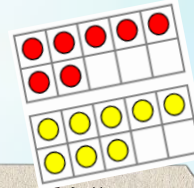

We have lots of exciting things planned this term, including a trip to Woldies Lavender Farm. We can't wait to get started. We are also excited to start swimming this week, please make sure you have given permission on Arbor for this before Thursday. As always, important information will be shared on our class dojo page, please make sure you check this on a regular basis. If you have any questions or queries do not hesitate to contact me.

Literacy

To start our learning this term will be reading the book 'The Extraordinary Gardener.' We will be focusing on writing instructions, letters and our own little stories.

Maths

EYFS: Our children will continue to follow our Mastering Number Programme, working on the basic skills needed to become fluent mathematicians. This will continue to be achieved through daily adult led sessions alongside our daily explore time.

KS1: Our focus this half term in year 1 learning about coin recognition and unitising. In year 2, we will focus our learning on addition and subtracting alongside learning about shape, fractions and money.

Science

Our science topic this half term is all about growing plants. Science will continue to be taught by Mrs Dunn.

EYFS

We have so many lovely things planned for our EYFS children this term!

We are starting off with books based around bugs and planting and sunflowers. We will be spending lots of time outside in the greenhouse and learning about the seasons of summer.

Miss. D 😊

Class Teacher/Assistant Headteacher

Art & DT

Our DT focus this half term will be learning about mechanisms. The children will be making a fairground wheel, that rotates whilst the structure stands freely.

History/Geography

Our geography topic this term is 'What is it like to live in Shanghai?' This will see us make comparisons between our area and a city.

Music

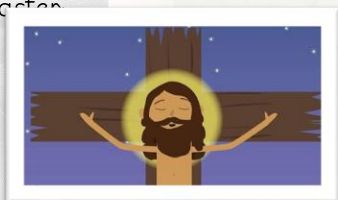

Our focus this half term will learning about dynamics and tempo. We will also start work on our whole school summer show.

PSHE and RE

Our theme in PSHE this term is 'Relate and Safe Relationships'

In RE, children will continue to learn about The Easter Story.

Computing

Our learning in computing will see us focus on 'Algorithms and Debugging'. We will work together to create algorithms to solve problems.

PE

Every Tuesday, Acorn Class will be taught PE by Hawkes Health. Please ensure that children come to school in their PE kits. Children will need a PE jumper and trainers as these sessions often take place outside. All children will also go swimming on a Thursday. Please ensure they bring their swimming kits to school on this day.
