Friday 11th February 2022

Dear Families,

Weekly Flood Update

The flooring contractors worked throughout the weekend and the majority of the flooring is now in place. This team only have a few small areas left to complete, and this will be done once all of the other contractors have completed their works. The flooring team really have worked hard to bring their phase of work in a full week ahead of schedule and it is wonderful to see the building beginning to look more like a school again. There is still a long way to go, but we hope that this pace of work can continue. The decorators are still scheduled to start works on Friday 18th February and they will be working throughout the half term holiday to ensure that we don't lose a week of working time. We are still awaiting details about the schedule for the reinstatement of the toilets and this could be the one barrier for being completed on time. We are all chasing this as much as possible and will keep you all updated.

Welcome to Mrs Breckon

We are delighted to inform you that we will be welcoming another new member of staff to our Federation Family. Mrs Breckon will be joining our Hawsker site after the half term break as our new midday supervisor. Mrs Breckon has worked as both a midday supervisor and a cook in other schools and is really looking forward to getting to know all of the children. I know that you will all join me in congratulating Mrs Breckon and welcoming her to the school.

Sponsor a Book

We are building a new ERA at the Heritage Coast Federation, which stands for Enjoy, Read, Achieve. We are really eager to be a 'reading federation' where our whole community develops a genuine love of reading. In order to do this, we want to ensure that we have really beautiful libraries in both schools with a rich stock of really high quality fiction and non-fiction books. We have made a start to this already and the children are really loving the new books. Our aim is to have copies of the top 100 fiction books for every year group, as well as building a really good range of non-fiction texts linked to our class topics.

In order to help us with this ambitious target, we have set up a link with the Whitby Bookshop for a 'Sponsor a Book' scheme. The store have set up a wish list for us and we would like to invite families, friends or relatives to sponsor a book for the library. Sirius are also supporting this initiative and will be sending the details out to their employees as well.

All of the books that we receive will have a bookplate put into the front with a thank you message to our sponsor. If you know anyone who may be interested in purchasing a book for our libraries, they can either visit the store or contact them via phone or email. Please quote the reference HCFSCHOOLS so that the books will come to us.

KS2 York Visit – Wednesday 16th February

A reminder that all Key Stage 2 children will be going to York on Wednesday to visit York Minster and also The Chocolate Story. All Key Stage 2 children will require a packed lunch on this day (unless you have already ordered a school one). Can all children in Years 3, 4, 5 and 6 please be dropped off at school at **8.30am. Can all Fylingdales children please be dropped off at Fylingdales School and also collected from Fylingdales School (unless going to Breakfast/After School Club).** The coach is collecting children at 3pm to return so we envisage arriving back to school at around 4pm, but we will let you know if we are delayed. If you haven't already done so please pay for this visit using ParentPay. School uniform must be worn, along with sensible shoes and a warm, waterproof coat.

World Book Day – 3rd March

In 2022, it will be the 25th anniversary of World Book Day. This year the message for all children is 'You are a reader!' This is always a fun filled day with lots of exciting, celebratory ways to promote reading for pleasure and all year round. We would like to give you advance notice that we will be having a non-uniform event on this date and children can choose to come as a book character if they would like to. As always, children will receive a World Book day £1 book token. This year, there are a really nice new selection of £1 which can be purchased with these vouchers. More information can be found at <https://www.worldbookday.com/families/>

Internet Safety Day and Children's Mental Health Week

This week, the classes have all enjoyed a range of fun activities linked to Children's Mental health week and the internet safety theme of 'All fun and games? Exploring respect and relationships online'. We will continue this work as key part of our PSHCE curriculum, as we have all experienced really challenging times over the past two years. We want to ensure that all of our children really live our values of Flourishing, Succeeding and letting their lights shine.

We are all aware that the online world is a wonderful, but also challenging place to navigate at times and we hope that the children have been sharing some of the things that they have been learning. In the coming weeks, the PCSO team will also be coming in to lead their practical internet safety sessions with the Key Stage 2 classes. If you would ever like any advice on how to set parental controls on devices, please feel free to contact the school.

Eskdale Festival

We are delighted that our Key Stage Two children will be taking part in the annual Eskdale festival again. Our Worship Leaders are entered into the Bible Speaking classes which are being held on Wednesday 2nd March and the Choir classes and Recorders will be held on Tuesday 8th March. It has been wonderful to hear all of the development of the singing and recorder playing as I have walked around school. Our After School Club are also in the midst of creating an incredible piece of art which will be displayed in the festival. The art will go in pride of place at the Hawsker Entrance following the festival so that everyone can enjoy their achievement.

Continued..../3

Mother's Day Reminder

Mothering Sunday is always a really special day where we like to make sure that all of our wonderful Mums are pampered. The Friends of Fylingdales and Friends of Hawsker School have some Mothering Sunday gifts which can be purchased on Parent Pay at a cost of £5. As well as ensuring that our Mum's have a lovely day, this is a lovely way to support our newly formed FRIENDS groups. The gifts will all be brought home by the children on March 25th.

Whitby Library Events

Our Reception children will be starting regular visits to Whitby library now that we have access to the minibus. Children will have the opportunity to join the library as part of these visits, so please look out for a consent letter. We hope that more families will start to use the local library service and we will send out joining consent letters for any children who would like to join. Please return the forms to school and we will organise the library tickets for you.

As part of Under 5s Week, Whitby Library have a library event scheduled from 'Hoglets Theatre group' on Saturday the 5th March, this would be a wonderful event for any of our younger children or any pre-school siblings. They will also be having a 'Musical Fun with Maths' session with Kathy Seabrook at 10.30am on Thursday 24th March as part of Maths Month which will be aimed at pre-school children.

School Meals

The menu for next week will be as follows

	Main Meal	
Monday	Pizza and Sauté Potatoes	Please note that a choice of jacket potato is offered as an alternative on a daily basis (while stocks last).
Tuesday	Chicken Pasta	
Wednesday	School Packed Lunch	Desserts will vary daily as these are prepared at Eskdale School and transported daily.
Thursday	Sausage and Mash	
Friday	Fish fingers and Chips

Wednesday 9 th March	Hawsker Parent Consultation Evening	More details to follow

I hope that you all have a wonderful weekend.

Best wishes

Helen Thompson

Mrs Helen Thompson
Executive Headteacher

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

10 Top Tips for Respect Online: INSPIRING CHILDREN TO BUILD A BETTER DIGITAL WORLD

Our ability to communicate with anyone in the world, at any time, via the internet has grown at breakneck speed. For teachers and parents, it can feel impossible to keep up. Worrying about our young people is understandable, and not unjustified: in 2020, for example, one in five 10- to 15-year-olds experienced bullying online. Our tips highlight ways that adults can support young people's positive online behaviours: by adopting and following 'netiquette', we can show them how to avoid getting into difficulty as they learn to negotiate the continually evolving digital landscape.

WHAT IS NETIQUETTE?

Just like etiquette is a set of rules which guides and governs our interactions with others in everyday life, netiquette – etiquette on the net – is the framework which helps inform how we communicate with people online. The rules of engagement often aren't the same as a face-to-face meeting, so it's important that we can accurately 'read' situations in the digital world and know how to act appropriately.

1 ACCEPT DIFFERENT RULES

A lot of our interaction with others is helped by non-verbal signals like body language and facial expressions. Online, of course, many of these clues are missing. Talk to your child about why this makes misunderstandings more likely to occur in the digital world and why keeping in mind that online communication is a very different process can help to prevent difficulties from arising.

2 PRESS 'PAUSE'

It's so easy to do things quickly online that most people (adults included) habitually send or respond to messages without considering the consequences. Pushing 'the pause button' buys a young person some time while they ponder the golden rule: "Would I still say this if the other person was right front of me?" You could practise this with your child on some made-up tricky situations.

3 THE INTERNET IS ADDICTIVE

Apps and sites use sophisticated algorithms and clever marketing to keep us engaged, while notifications to our devices are designed to draw us back in. It's no wonder that people continually return to the digital world, sometimes spending long periods of time there. You and your child could trial turning off notifications on certain apps and instead agree a time to check for updates manually.

4 BEWARE THE DARK SIDE

Getting a hurtful or unhelpful comment on social media or in a group chat can make the recipient feel publicly shamed. That's painful for anyone – but especially for a young person whose status in a group is integral to their sense of identity. Encourage your child to think about the best and safest way to send a message: for example, doing it as a private message rather than a public post.

5 HARMFUL INTERACTIONS

Unfortunately, it's very easy to send a hurtful message or to spread gossip and rumours online. We all know this happens regularly. Not having to deal with actually seeing the other person's distress usually doesn't help people to make a positive decision in the moment. It's important that trusted adults help children to visualise the potential consequences and have empathy for others.

6 APPRECIATE DIFFERENCES

We're all built differently; some people are simply more emotionally sensitive than others. Young people can be particularly affected by negative online communication, such as group shaming. Even a single message (which might seem trivial at face value) can cause deep anguish. Trusted adults should be prepared to be patient and listen to any difficulties their child might have had online.

7 ACCENTUATED ANXIETY

Young people's online lives create a lot of anxiety. Messages go into a 'black hole' until someone responds, there are more reasons to compare ourselves negatively, and social media can make us feel like we're missing out. Encourage activities such as sports and hobbies to balance this out, and remember that merely blocking out thoughts (by gaming, for instance) isn't the same as relaxation.

8 PRO-SOCIAL BEHAVIOUR

A huge positive for the internet is how it helps people to feel connected and makes being kind and helpful easy to spread. When young people get involved in pro-social behaviours online, it creates a positive feedback loop which makes them feel good. Show your child examples of when you've done or said something positive online, and praise and encourage them when they do the same.

9 BE A GOOD ROLE MODEL

One of the best things we can do as trusted adults is to role model positive online behaviour. Just letting your child see that you know when it's time to put your phone away and do something more productive can set a strong example. Some families set aside particular times of the week (such as mealtimes or a family walk) where digital devices aren't allowed and conversation takes precedence.

10 SHOW COMPASSION

Mistakes can feel much bigger online, because they're so public. If a young person does or says something regrettable on the internet, it's important to support them to forgive themselves, learn any lessons and move forward positively. Even as adults, we can often stumble when learning how things work in the fast-moving digital world, so it's important to have compassion for ourselves, too.

Meet Our Expert

Dr Carole Francis-Smith is an experienced counselling psychologist who, through her research, specialises in promoting safe and ethical online communications. She consults with businesses and organisations to support positive and effective communication online, often by considering some of the more hidden aspects of the mediums.
