'Flourish, Succeed, Let Your Light Shine'

A message from Mrs Thompson

What a scorching end to the year in more ways than one! This week has been a real hive of activity and we hope that the children have all enjoyed their final week of the year. The heat certainly brought lots of challenges at the beginning of the week, but the children have persevered and we would like to thank you all for your support. We have ended the year reflecting on so many achievements across the Federation with our Shining Light assemblies, Fylingdales concert and also the end of year services. It is always such a joy and privilege to be able to celebrate the talents of our incredible children and I know that the staff team are so proud of every single child for their achievements this year in such challenging circumstances. We would like to thank all of the parents who joined us for these celebrations and also managed to keep the Shining Light Awards a surprise for the children. Thursday saw us all venturing out for our Federation Treat day and it was an absolute delight to see all of the children coming back together and playing so happily – once again we saw the care of our older children as they supported our younger children in the play park. The Coast staff all commented on the impeccable manners of the children and we were so proud of them all! We would like to say a huge thank you to Northcliffe Holiday Park for being so generous in giving us free use of the site for the day. It is definitely a great place to visit and I am sure that we will all be paying them a visit again soon.

This week we were all treated to a spectacular performance of Pirates of the Curry Bean by Oak Class. The children truly entertained us all with their performances and the ad libs really added some fantastic moments. We are incredibly proud of the children, as it takes a huge amount of confidence and a lot of hard work for a small class to put on a full play – they really shone. As we prepare to say farewell to our incredible Year 6 pupils, I am eagerly anticipating my first Year 6 Leavers services (Although I think we will all need tissues at the ready from the sneak peeks that I have seen!). As we send them on to the next part of their learning journey, we would like them to know that they have been amazing role models and will never be forgotten. We wish them every success in their new schools and we hope that they will come back to visit us soon.

Alongside our Year 6 leavers, we also bid a very sad farewell to Miss Puckrin today. I know that she will be greatly missed by both staff and children in both schools, as she has been such a valuable member of the team and definitely our little ray of sunshine. We know that Miss Puckrin will really shine in her first position as a class teacher and I am sure that you will all want to join me in wishing her every happiness and success.

I can't thank you all enough for the warm welcome and support that I have been given this year – the year really has flown by! I would like to end the year by saying a huge thank you to our children for making every day a pleasure and a privilege, I feel so honoured to be working with such incredible children. I would also like to thank the whole staff team for their commitment to our journey and putting the children at the heart of all that they do and to all of our families and community, who support us in so many ways. It is this partnership working which is making everything come together so successfully.

I hope that you all have a wonderful Summer break and we look forward to welcoming you all back again on Tuesday 6th September.

Helen Thompson

Shining Light Awards

This term our amazing Shining Light Award winners are:

Acorn	George	James
Ash	Lois	Dahli
Birch	Arthur	Darcie
Oak	Izzie W	Ruby

Land Art Project – Sunday 4th September 2022

The Tour of Britain Cycle race beckons next, as this will be whizzing past the gates of both schools Wednesday 7th September! We will be creating some spectacular land art to be filmed as part of the route and we have a very talented land artist who will be coming to work with us on this. The children have all submitted their design ideas and we are awaiting the results of who has the winning design!

As the race is taking place so early in the term, we are inviting families to join the artist and myself to bring our images to life on **Sunday 4th September**.

Fylingdales families please join us on the field between 10.00am and 12.00pm

Hawsker families please join us on the field between 2.30pm and 4.30pm

Northcliffe Holiday Park

This year our treat day took place at Northcliffe Holiday Park, the children had an amazing day enjoying everything on offer including the mini golf, play park, large open playing field and much more. We are extremely grateful for the opportunity to use this site and we hope that the children had a wonderful time.

Recycled Uniform Event – Wibury building 13th August

The WI in Fylingdales are eager to support all families and have very kindly offered to run a recycled school uniform shop during the school holiday period. They are aware of the significant costs of uniform and would like to be able to offer uniforms for Eskdale, Caedmon, Hawsker and Fylingdales schools. We know that children often grow out of their uniforms when it is still in excellent condition, so that will be a fantastic way to recycle and save money as well.

If you have uniform from any of the four schools that you would like to donate to this recycled uniform venture, it can be dropped off at Wibury House (which is located just opposite the Grosvenor Hotel in Robin Hood's Bay) during the afternoon of 4th August. Alternatively, please contact Lynne (preferably via text please) who would be happy to arrange a convenient time for the uniform to be dropped off - Contact number 07766 721806

The sale will be held on Saturday 13th August from 10am until 1.00pm at the Wibury House building in Robin Hood's Bay. All uniform will be available for a small donation and all funds raised will be given to the Federation. Tea and coffee will also be available on the day.

Summer Active Challenge

The Active Summer Challenge will help children be active during the summer holidays by setting their own pledge and taking part in the six weekly challenges. The activities are inspired by the fantastic sporting events happening all over the globe, including The Hundred, the Commonwealth Games, UEFA Women's EURO 2022, and the US Open. There are resources such as fun activity cards for children, and links to lots of amazing content from sport organisations. Once children have completed their pledge and the challenges, there is a certificate for you to keep and celebrate all your good work!

To access the Active Summer Challenge, follow the link below.

<https://www.yourschoolgames.com/active-summer-challenge/>

Summer Reading Challenge

Whitby Library are, once again, running the Summer Reading Challenge! This is an excellent initiative to keep children engaged over the long summer break. The theme this year is Gadgeteers and the aim is to encourage us all to discover the amazing science and innovation behind the world around you, including some of your favourite things! **Head to the library** where you will be given a colourful fold out poster showing the setting for this year's challenge.

You can find out more on the Summer reading Challenge Website -

<https://summerreadingchallenge.org.uk/news/general/gadgeteers-intro>

Let's get reading everyone, it would be great to get as many Fylingdales and Hawsker children involved as possible in this! The challenge begins on Saturday 16 July, and runs until Saturday 10 September. Please go to Whitby library to register for this fantastic National Reading challenge.

Arbor Pay

In September, we will be moving across to a new provider for all of our main administrative functions. This new provider includes an electronic payment system which will be replacing our ParentPay app. This will operate in the same way as ParentPay, but provides a more cost effective and efficient system as everything will be in one place. We will be migrating across to the new provider over the Summer holiday period and parents will be provided with a new log in once we are up and running on the system. Please note we will no longer be accepting payments on ParentPay after the 31st August 2022.

Holiday Activities

The Scarborough Mumbler have put together a helpful webpage highlighting holiday activities in the local area, please see link for further information.

<https://scarborough.mumbler.co.uk/school-holidays/summer-holidays/>

Hope Youth Project

HYP (Hope Youth Project) has been running for around five years in various locations, but we are excited to inform you that from September 2022, HYP will be running at Hawsker School. HYP is for any primary school child in the area aged between 4 and 11, and runs from 4-5pm each Monday in term time.

As part of the sessions, the children listen to a Bible story, share news, play games and eat a snack together. All helpers and volunteers are fully DBS checked and trained in safeguarding. This activity is FREE OF CHARGE.

The group also run a free at the point of need foodbank and "Wings" project which aims to alleviate period poverty. If you, or anyone you know, needs any of the above OR if you are able to donate any items to us, then please call Bec on 07736958758.

Cycling Club

Jay will be holding summer cycling club at both of our schools this year:

We are excited to announce that [Jay's Cycle Coaching](#) will be running holiday clubs based on our school sites during the 6 week break.

Fylingdales- 15th August

<https://fb.me/e/1hg8489ai>

Hawsker- 5th August

<https://fb.me/e/2Du40zkQ3>

<https://fb.me/e/eZB2d2Zqq>

These sessions are open to all children, not just children attending our schools and if you are apart of Children's University, you can also collect hours for attending.

For more information and to book, please follow the links above or contact Jay directly on 07966925711.

We will also be running Cycling club into the Autumn Term. Taking place on a Monday after school, Autumn Term will be focused on our children in Years 4/5/6, a 5 week block from the 12th of September 2022 starting at Fylingdales (3:15pm – 4:15pm), after this the club will move to Hawsker for 5 weeks starting on the 31st of October 2022 (3:15 – 4:15pm). After Christmas we will have a club for Reception children indoors and finally in the Summer Term it will be Years 1/2/3. If your child would like to attend any of these clubs then please get in contact with Jay's Cycling Coaching - jayscyclecoaching@outlook.com

Next Terms Menu

As we look towards the next academic year there will be changes to the menu supplied by North Yorkshire County Council, we have included our menu as a separate attachment. Please note that meal costs from September will be £3 per meal.

We politely ask that there are no food items containing nuts / peanuts for packed lunches/ snack as we do have children in school with severe allergies.

After School Clubs

	Club run by school	Cost & how to book	External provider	Cost	How to book and pay
