Wednesday 29th June 2022

Dear Parents and Carers,

As you may be aware, we were very busy completing interviews on Monday 27th June to fill the final positions in our staffing structure for the next academic year. We were very fortunate to have an extremely strong field of applicants which meant that we were able to successfully recruit a new Academic Mentor to replace Miss Puckrin and an SEN GTA to join our Federation family. We will have Miss Lucy Hammond joining us as our Academic Mentor and many of you may already know Miss Hammond as she completed part of her teacher training with us. We will also have Mrs Alison Walsh joining our support staff team. We will arrange for both of our new members of staff to come in and meet everyone before the end of term. Now that all of the posts have been filled, we are in a position to share the class structure with you all.

We are delighted to say that we will be retaining the leadership model started this year; with Mrs Dixon working as Assistant Headteacher / SENCo across the Federation and Miss Dykes working as the Teacher in Charge at Fylingdales. This ensures that we have a strong leadership structure to further our development across the Federation. Ms Hutton will also continue to work as the Higher Level Teaching Assistant across both schools, providing high quality PPA and Subject Leadership cover for the classes.

Please find, below, the planned staffing structure for the next academic year, which provides as much additional support as is financially possible in each classroom, especially where there is the highest amount of needs.

If there are any further changes to this structure, I will ensure that you are informed as soon as possible.
