Swimming Lessons

Dear Parents and Carers,

Swimming is an important life skill for all of our children and we are very fortunate to have access to our local pool to support with our swimming programme. We are delighted to inform you that your child's swimming lessons will commence next week, on Tuesday 14th September. The class will have their lesson every Tuesday afternoon through to the Christmas holiday. Please ensure that your child has the necessary kit with them on Tuesday, as we want to ensure that all of our children can get the maximum benefit from this fun and beneficial activity.

The children will be having an early dinner and will travel to the Whitby pool by coach. They will be back at the respective school sites before the end of the school day. There will be three instructors supporting our classes with their lessons and the children will also be accompanied by their class teachers and support staff. We are delighted to say that now that the COVID regulations have been eased, the children will have access to the shower and changing room facilities again this year. Please speak to your child's class teacher if your child has any anxieties about swimming or if there is anything that you feel we need to be aware of before the start of the lessons.

The cost of the sessions will be £2 per week for the 13 week period and this will be added to Parentpay. If you are not able to access Parentpay, please contact the office team who will be happy to help you with this.

We look forward to seeing the progress of our children over the coming weeks.

Kind Regards

Helen Thompson
Executive Headteacher
