

Important Dates for this term:

Key dates for the Summer Term are being added to the calendar on the School website and this is updated on a regular basis. We will do our best to stick to these dates and will only make changes where the weather impacts our plans – for example sports day. We do anticipate that there might be one or two events that may come up that we do not yet have a date for, but we will absolutely do our best to share this with plenty of notice.
