'Flourish, Succeed, Let Your Light Shine'

A Message from Mrs Thompson

It has been another busy week across the federation. It is always a pleasure to visit all of the classes to see the breadth of learning taking place – the children are always so proud to show their work and it is wonderful to see the progress they are all making. This week has seen our Year 6 children sitting their SATs tests – we have been so proud of every one of them as they have all worked incredibly hard, showing a real determination to succeed. There has been such a relaxed atmosphere in the breakfast sessions and I would like to thank all of the staff for creating such a tempting menu with the children.

Birch Class enjoyed an incredible day of outdoor learning with Tanya Eyre this week and they have all gained so much knowledge about our local moorland environment and the breath of wildlife we are privileged to have around us. All classes across the Federation will be setting off for these really valuable visits in the coming weeks and we hope to make the most of the warmer weather to enjoy lots more outdoor learning experience. We have some Eco themed workshops booked and we are planning more sessions in the community for after the half term break.

I hope that you all have a wonderful weekend.

Mrs Helen Thompson

Year 3 and 4 Quadkids Success

A massive well done to all of the Year 3 and 4 children who took part in the Quadkids event last week. Quadkids involves four different athletic events which are a run, a jump, sprint and a throw. All of the children were outstanding ambassadors for the Federation, showing fantastic team spirit and really showing 100% effort in every event. The scores were all collated to create the overall team scores. At the end of the event, Group 1 from Fylingdales came in 3rd place overall, Group 2 from Fylingdales were in 2nd place and our Hawsker team came in 12th place. We had some outstanding individual results with Evelynne coming 1st place and Bella coming in 3rd place out of all of the girls taking part and Chase came 3rd place in the boys event. These are outstanding team achievements - Well done to every child taking part. We look forward to seeing the children taking part in more of the cluster sporting events throughout the Summer term.

Please save the date, as this is such a significant event and we will be sharing more details about the timings for this as soon as we receive the information from the relevant teams.

Hawsker Village Jubilee event – 5th June

We are always eager to support our local community events. Hawsker village will be hosting a free community Jubilee event in Hawsker Village hall on 5th June. The event will commence at 1pm and this really will be a fun day out for all of the family with a mini sports day event, fancy dress competition for the best dressed royalty and more. A flyer with more information will be coming out soon. We hope that our families will all support this wonderful community event.

The Friends of Hawsker School will be running a tombola stall at this village event. If you know anyone who would be willing to donate any tombola prizes, please send these to the school and we will make sure that they are passed on to the Friends of Hawsker School.

Sponsor a book via Parentpay or at The Whitby Bookshop

As a Federation, we are really passionate about developing a love of reading and having really book rich learning environments for all of our children. Our aim is to have the top 100 reads for every year group in school and to have really vibrant libraries with a wealth of books linked to our class topics and children's interests. We have already invested a significant amount in books this year, but we still have a long way to go. If you would like to support, we have added a new area to Parentpay where members of the school community can add a sponsorship towards library books in school. This can

be anything from £1. The Whitby Bookshop also have lists of some of the books that we would like to purchase and members of the community can sponsor books from there. All sponsored books will have a bookplate in the front thanking the sponsor.

Update on COVID-19 vaccinations for 5 to 11 year olds

The Dfe have sent information to schools to say that Healthy 5 to 11 year olds are now being offered vaccinations outside of schools in vaccination centres, pharmacies, GPs and walk-in centres.
