Hawsker-cum-Stainsacre Primary School Weekly Newsletter 'Flourish, Succeed, Let Your Light Shine'

A Message from Mrs Thompson

I hope that you all enjoyed the Bank holiday weekend – the beautiful weather definitely helped. I would like to start by congratulating and thanking every child, family and staff member who have worked tirelessly this year in really challenging circumstances. This really is a special community and two very special schools to lead. I feel immensely proud to be leading our Federation and seeing how far we have come this year!

The sun was certainly shining down on us for our return to Fylingdales on Tuesday and our beautiful rainbow really helped to make it a very special day. Thank you to Whitby balloons for coming out so early to make sure that this was ready for the children arriving. It has been wonderful to see the smiling faces skipping through the doors again this week and we are all gradually returning to some normality. The children have all settled into their classes extremely well and all of the classes have been a real hive of creative learning. I would like to say a massive thank you to the staff team and their families who came into school at the weekend to make sure that school was ready for the children – it was definitely a race to the finish line and we couldn't have done it without everyone's generosity in giving their time! The staff at Hawsker have

been very busy this week setting classes back up in their original format. Our prefab has now become a really welcoming dining room and multi-purpose teaching and learning space and we will use this for lots of community events in the future. It has been lovely to see both schools having 'family' lunches together again, as it has been the first time that we have been able to do this since the start of pandemic. For so many of our children, it has been the first time that they have experienced eating together as a whole school. Our older children have been fantastic role models for the younger children and really demonstrated our values of care, respect and community. We have been getting lots of really positive feedback from the communities and it has been lovely to hear the reflections from the children about their experiences over the past two terms and their feelings this week. We will be creating books for the schools to keep with some of these reflections from the children. It has definitely been a very busy start to our Summer Term and we have lots to look forward to over the coming weeks. We really want to be schools at the heart of the community, so we will be planning lots of activities where the classes will be out and about over the Summer Term. We will also be taking part in all of the locality sporting events, so keep an eye out for all of these dates. We have lots to look forward to and we hope that you will all enjoying seeing the children's really flourishing in their learning through our class Dojo pages. I hope that you all have a wonderful weekend.

Mrs Thompson

This week our amazing stars of the week are:

	Star of the week	Reader of the week	Respect Award
Explorers	Thea	Red	Vaughn
Adventurers	Trixie	Riley	Trixie
Investigators	Jensen	Fran	Parker
Headteacher Award		Jake – using excellent manners at school	

Value for the Half term

Our Christian Value this half term is based on the theme of Friendship. Friends are not only important so that the children have someone to play with, but they also contribute to a positive sense of mental wellbeing, encourage learning and develop interpersonal skills. From a very young age, our brains are wired to make an effort to connect with others, particularly with those who are similar in age or interests. We hope that families will enjoy talking about what friendship means to them over the next few weeks and we have attached some information linked to the Christian values to support these discussions. We will send these Christian value sheets home each half term, so that you have some materials to support discussions at home.

Sponsor a book via Parentpay or at The Whitby Bookshop

As a Federation, we are really passionate about developing a love of reading and having really book rich learning environments for all of our children. Our aim is to have the top 100 reads for every year group in school and to have really vibrant libraries with a wealth of books linked to our class topics and children's interests. We have already invested a significant amount in books this year, but we still have a long way to go. If you would like to support, we have added a new area to Parentpay where members of the school community can add a sponsorship towards library books in school. This can be anything from £1. The Whitby Bookshop also have lists of some of the books that we would like to purchase and members of the community can sponsor books from there. All sponsored books will have a bookplate in the front thanking the sponsor.

Non Uniform Day – Friday 13th May

Our Friends of Hawsker School group are working really hard to raise funds to benefit every child in school. They are planning to run an incredible chocolate tombola at our forthcoming jubilee event and would like you help in collecting prizes for the stall. We will be having a Pyjamarama day on Friday 13th May, where children can come dresses in their pyjamas / non uniform in exchange for a prize for this stall. Pyjamarama day is also linked to our love of books, as everyone loves to read a good book snuggled up in their pyjamas so as part of our non-uniform day there will be lots of opportunities for the children to enjoy reading together.

Statutory Assessments

Families may be aware that the Summer Term has a number of different national assessments for children in particular age groups across the country. We do not need national assessments to tell us how brilliant our children are. However, it is really important that children do get their best opportunity to shine during these assessments, as they have all worked so hard this year. We want all of our children to feel relaxed coming into these assessments and our Year 6 children will be able to join us for a breakfast before coming into class next week. More details will come through on Dojo. We have summarised some of the key details and date below. If you have any questions about any of the assessments, please speak to your child's teacher.

What?	Who?	When?	Information
End of Key Stage Two SATs	Year 6	Week commencing 9 th May	Reading, Maths (Arithmetic and Reasoning problems), Grammar and Spelling
End of Key Stage One SATs	Year 2	Throughout May	Reading, Maths (Arithmetic and Reasoning problems), Grammar and Spelling
Phonics Screening Check	Year 1	Week commencing 6 th June	Reading real and made up words to assess children's understanding of individual sounds.
Multiplication Tables Check	Year 4	Weeks commencing 6 th June, 13 th June and 20 th June	Multiplication Check guidance
End of Reception Profile	Reception	Throughout the summer term	An assessment of seventeen different areas of learning, observed through play and day to day tasks. There are no tests.

National Online Safety Accreditation – Materials for Parents

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children. We are therefore delighted to announce that Heritage Coast Federation have shown our commitment to protecting our pupils online by working with National Online Safety- providing resources for all parents and carers.

The resources include short Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides covering a huge range of topics. We are working towards renewing our National Online Safety Accreditation and as part of this we need some of our parents to complete one of the online short courses. These are really powerful materials which can really support in understanding how to support children in navigating the complexities of the online world. Please take a look at the resources from the link below.

To create your account, please follow

<https://nationalonlinesafety.com/enrol/fylingdales-c-of-e-vc-primary-school> and complete your details. When you're set up, you'll be able to set 'Parent/Carer' as your user type.

You can access National Online Safety online via any device- including via our brand-new smartphone app. To download the app, please go to:

<https://apps.apple.com/gb/app/national-online-safety/id1530342372>

<https://play.google.com/store/apps/details?id=uk.co.nationaleducationgroup.nos>

Alternatively, search for 'National Online Safety' in the App Store/Google Play Store.

Platinum Jubilee Tea Party – Friday 27th May

We are planning to host a truly Royal event on the final day of this half term. We would like to invite parents and members of the local community to join us of a street party style tea party between 9.30 and 11.30am on Friday 27th May. Our wonderful Friends of Hawsker School group will be supporting with the refreshments for this event, so if you feel that you would be able to support with any baking, please contact the office so that we ensure that we have a good range of items to enjoy. We will have a few activities for the children to enjoy as part of the event and we hope that everyone will come dressed in anything red, white or blue as part of the celebration.

Cycling Club

A reminder that our year 4, 5, 6 cycling club is held on a Thursday after school.

If your child would like to attend please book their place using the contact details below.

The sessions run every Thursday until Thursday 9th June 2022. The cost for the remaining 4 sessions is £20 per child. The sessions will run on a Thursday after school until 16:15pm.

All coaches are British Cycling qualified, DBS (police) checked, first aid trained and fully insured.

Children must be able to ride a pedal bike unaided. Children will need a working bike, cycling helmet, drink and clothing for outdoor sports.

Places are limited so booking is essential. Please message 07966 925711 or email jayscyclecoaching@outlook.com to book a place or for more information.

My Child's Art Project Fundraiser

The children have created some stunning portraits which you can view on the my child's fundraiser site. There are items available which display just your child's artwork, but there are also tea towels and available which show the whole class. These really do become a treasured item and I know that I still have the tea towel from my own Primary School with the class portraits on there! FOHS receive a fantastic 20% commission from the sale of all items and the products are shipped straight to your home address.

Please follow the details below to take a look at the items available.

Thursday	Cooking Club		Cycling Club	£5.00	Via 07966 925711 or email jayscyclecoaching@outlook.com
Friday	Film Club				

Dates for your Diary

The summer term is always very busy. Key dates for the Summer Term are being added to the calendar on the School website which we hope will help families plan ahead for some key events that will take place before July. We will do our best to stick to these dates and will only make changes where the weather impacts our plans – for example sports day. We do anticipate that there might be one or two events that may come up that we do not yet have a date for, but will absolutely do our best to share this with plenty of notice

	Date	Times	Additional Information
Key Stage 2 SATs Week	WC Mon 9 th May	Mon – Thurs am	Year 6 breakfasts will be organised - more details on Class Dojo
Pyjamarama – Non uniform day	Friday 13 th May	All Day	More details to follow - Please bring a prize for a chocolate tombola stall.
Solve It Group	Tuesday 24 th May	6.00pm	Venue TBC al parents invited.
FOHS Platinum Jubilee Celebration	Friday 27 th May	9.30am-11.30am	All families are invited – more details on Class Dojo
