

Super Seven

In our Heritage Coast Federation, each class from EYFS to Year 2 have a 'Super Seven'. These are books that have been carefully selected to be our class favourites! Our aim is to ensure that all children have the opportunity to be captivated by the great old and gold texts, as well as the new and bold, and to make sure that they have a favourite. Our 'Super Seven' books are read frequently and with enthusiasm by the adults in the classroom throughout each half term. We enhance the 'Super Seven' books in each classroom with resources and props to support our children with remembering key vocabulary whilst enabling them to retell the stories that they have enjoyed.

The 'Super Seven' include:

- Traditional Tales
- Emotions & Feelings
- Rhythm & Rhyme
- Diversity & Acceptance
- Classics
- Changemakers
- Relationships.
