

This term our topic focus is 'The Olympics'. We will be exploring Paris as the host city of the games, before moving on to learn about the history of the games.

Music

We will be focusing on classical music, learning more about pulse.

History/Geography

In KSI we will be exploring the history of the Olympic games. We will also look at the countries that take part in this and those that have hosted the event in the past.

PSHE and RE

In PSHE our topic focus is 'Being my Best' where we will explore all of hopes, talents and aspirations.

In RE we will be thinking about the 'good news' that God brings across a range of Bible stories.

Science

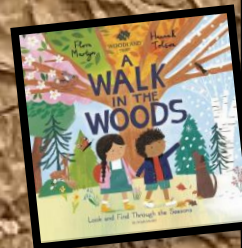

In Science this half term we will be focusing on 'Animals including Humans'. We will explore how animals are classified and what they eat to survive. We will then move on to explore the human body and our senses.

Art

In Art we will be learning about craft and design. We will explore drawing, printing and felting as well as designing our own stained glass!

EYFS will continue to explore colour and colour mixing, linking their learning experiences to famous artists.

Literacy

In KSI Literacy this term we will be writing a recipe about all of the things that we might need to be an Olympian. We will also be creating information posters about Paris - this year's Olympics host. We will read a range of sporting books, including 'Ready, Steady Mo!'

In EYFS we will continue following our interest of Spring time and will be reading books based on planting and garden adventures! This will include 'The Very Hungry Caterpillar'.

Maths

In KSI Maths this half term we will be focusing on division, multiplication and fractions.

EYFS children will continue to develop their understanding of number through their Mastering Number sessions.
