

Birch Class- Summer 2

WELCOME

Our final full term of the school year!

Our topic this term will be all about the Olympics!

As always, key information will be shared on our class dojo page, please make sure you check this on a regular basis so messages are not missed. If you have any questions or queries do not hesitate to contact me.

Mrs Dunn

Literacy

We will start our literacy this term researching Olympic athletes and writing a diary entry for 'A day in the life of an Olympian'. Following this we will use our new skills to persuade an athlete to try a new Olympic sport.

Maths

Year 3&4 have started this last term looking at time, children will be exploring both analogue and digital time beginning to convert between the two. We will then move onto exploring shape, angles and measurements.

Science

Our science topic this half term is all about 'Sound Spectacular.' We will begin by looking at sounds all around, exploring how sounds are made associating some of them with vibrating. Children will learn new skills to make careful observations and set up fair tests. Using those skills to gather and record data.

Subject areas

Geography

Locate the world's countries, using maps to focus on environmental regions and major cities

DT

Fastenings

Music

Samba and carnival sounds and instruments (South America)

French

Shopping for food in French.
