

Oak Class - Summer 2

WELCOME

Our final half-term of the school year is a VERY busy and exciting one!

This half term will consist of many different exciting elements. We will be launching ourselves into learning about The Olympics through History and Geography, preparing ourselves for the Paris games so soon!

We are full steam ahead with many practices for our school show, dancing, singing and acting, we can't wait to perform and celebrate to you.

A very big half-term for our Year 6 children as there will be many 'lasts', but we are ready to enjoy each one whole-heartedly!

Writing

Our writing lessons this half-term will have a clear focus on writing about The Olympic Games and from the perspective of famous athletes. At the start of the year, we wrote to our link school in Africa and we have received some replies, so we will be replying to our letters to form pen-pals overseas!

Maths

Year 5: Year 5 have worked extremely hard in the lead up to the Year 6 SATS, particularly in Maths. This half term we focus on decimals, negative numbers and converting measurements, as well as daily arithmetic practice and timetables. Year 6: We are already challenging ourselves with Maths in real-life contexts and applying mathematics to our everyday lives. Year 6 continue to develop their arithmetic and timetable skills daily.

Wider Curriculum

As well as The Olympics this half-term, we will be using photography to form art pieces in Art and DT, reflecting and exploring: 'What can religion teach us when life gets hard?' through RE. Science is super exciting, as we can get out and make some mind-blowing mixtures in our materials topic!

Wider Curriculum

Each week, we continue to work on 'My Happy Mind' which is taught in separate groups to Year 5 and Year 6. This half-term we focus on 'Celebrate' and how we can train our brain to find the positives in situations. In French we will learn directions, computing we will be focusing on Coding, and in Music, alongside our show practices, we hope to create a personalised leavers song for our Year 6 Leaver's Service.

A very busy half-term is upon us! We are looking forward to all the excitement Summer 2 brings and create special final moments to remember.
